PADDING

MEASURES

SPECIFICATIONS

Spacing

The maximum characters per pill are 16 mobile / 18 tablet and desktop. For longer texts, the last characters have to be replaced by "...".

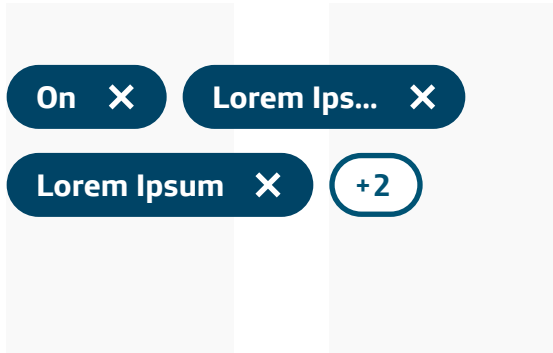

If there are more than 3 pills selected, the button "+ number" will be shown. Its function is to show all the pills.

The limit of the whole group of pills can be:

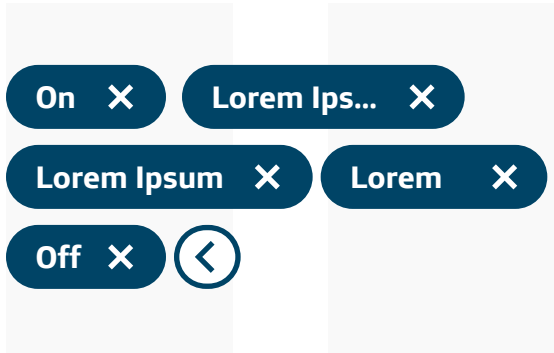

- Mobile 2 columns / scroll from two lines.
- Tablet 4 columns / scroll from two lines.
- Desktop 6 columns / scroll from two lines.
